

# Set yourself free today.

Irish Broadband is now available at a retail outlet near you.

Installing broadband in your home is now easier than ever. Simply pick up our broadband in a box, plug it in and you're ready to start surfing.

Because it's wireless, there's no need for a phone line or complicated set up, so it's in the bag from just €18.95 per month.

Initial price of €75 includes 2 months free rental.
