

APPOINTMENT NOTICE

Irish Broadband, Ireland's only alternative broadband network provider, is pleased to announce the appointment of **David Kelly as Contact Centre Manager**. In his new role, David is responsible for managing Irish Broadband's Business and Residential Telesales teams.

David joins Irish Broadband from Oracle EMEA, where he held the position of UK Regional Sales Manager (Commercial and Industrial) for Oracle Direct for three and a half years. David previously worked for Gateway for four years as a sales rep and team manager of the UK and Ireland SME telesales team.

Irish Broadband provides fast, always-on, wireless broadband Internet services to Irish homes and businesses. Services are currently available to customers in the cities of Dublin, Cork, Limerick, Waterford, Galway, Drogheda and Dundalk.

Irish Broadband's range of high-speed, always-on broadband Internet solutions start from €24.99 per month including VAT for residential customers and €40 per month ex VAT for business customers. Available bandwidth sizes range from 512kbps right up to 6MB and un-contended leased-line equivalents are available, providing savings of up to 70 per cent on copper and fibre line alternatives.

Irish Broadband is a subsidiary of NTR plc, Ireland's leading private sector developer, financier and operator of public infrastructure.
