

### **APPOINTMENT NOTICE**

Irish Broadband, Ireland's only alternative broadband network provider, is pleased to announce the appointment of **Gregg Behan as National Sales Manager**.

Gregg joins Irish Broadband from BT Ireland, where he was Head of Mid Markets, selling Voice and Data solutions to corporate customers. Gregg has extensive industry experience gained through the various name changes at BT, including Esat BT and Ocean Communications.

Prior to joining Ocean Communications Gregg worked as sales and marketing manager for Data Original Supplies, one of Ireland's largest suppliers of computer consumables to the office products industry.

Irish Broadband provides fast, always-on, wireless broadband Internet services to Irish homes and businesses. Services are currently available to customers in the cities of Dublin, Cork, Limerick, Waterford, Galway, Drogheda and Dundalk.

Irish Broadband's range of high-speed, always-on broadband Internet solutions starts from €24.99 per month including VAT for residential customers and €40 per month ex VAT for business customers. Available bandwidth sizes range from 512kbps right up to 6MB and un-contended leased-line equivalents are available, providing savings of up to 70 per cent on copper and fibre line alternatives.

Irish Broadband is a subsidiary of NTR plc, Ireland's leading private sector developer, financier and operator of public infrastructure.
